

Please share your Grout Like New™ experience with others in our community. Your testimonial will appear on our website or on printed marketing material. Only your first name, last initial, title and company (if applicable), and city you live or do business in will be displayed. Thank you for your support!

TESTIMONIAL:

My kitchen looks brighter and cleaner and I'm so glad I decided to redo it. I found the work to be meticulous. The men who did it were perfectionists and left everything perfect and neat. The cost was reasonable considering the difference it made in my home.

I agree that Grout Like New™ can display the above testimonial, and any before / after pictures of the work completed, on their website and/or on printed marketing materials.
