

To help us grow our business, we would like to share your Grout Like New™ experience with others in our community. Your testimonial will appear on our website or on printed marketing material. Only your first name, last initial, title and company (if applicable), and city you live or do business in will be displayed. Thank you for your support!

TESTIMONIAL

I highly recommend Grout Like New.
I could never get the tile grout in my kitchen clean - now it looks like it's brand new! The crew was very professional and the project cost was significantly less than it would have been to replace the grout.

I agree that Grout Like New™ can display the above testimonial, and any before / after pictures of the work completed, on their website and/or on printed marketing materials.
